Data Protection Information

The information you supply on the form overleaf (and any information that the Squash Club already holds about you) will be retained in the Squash Club's membership records and on the Squash Club's on-line booking system. It is not intended that it will be passed on to any third parties who are not connected with the Squash Club or the Sports Club without your consent. Please note that a list of members will from time to time be placed on the Squash Club's notice board with the member's contact details for the purposes of enabling other members to contact you to arrange games. If you do not want your contact details displaying in this manner then please indicate this by signing here:-

Wakefield Squash Club and Wakefield Sports Club may wish you to contact you from time to time by email (eg to send out Newsletters or to inform you of events or other matters relating to the Clubs.) If you do not wish to receive emails in this respect please sign here:-

Wakefield Squash Club is operated by a committee of its members and the Squash Club is a section of Wakefield Sports Club (College Grove) Limited which is a company limited by guarantee and is run as non-profit organisation for the benefit of its member sections. If you have any positive suggestions as to improvements to the squash club facilities or wish to offer your assistance to the running of the Club please provide details below or contact a committee member.
